Notes:

Chapter Cover

The sign Sango and Shii-chan are holding in the picture says roughly they are at "Mt. Yamada Hotspring", it is an open air-type of bath and it is an alkali ion spring

p.108

Tosaka's line of "It's over... everything..." Is a reference to one of the most famous manga in Japan, *Ashita no Joe*. Ashita no Joe is a boxing manga that started in the late 60s and became somewhat of a national icon in Japan. If this were an American comic, Toska might instead be making a *Rocky* reference.
